Shooting Checklist for Her

- Shoot at a wedding venue / decorated backdrop, NOT a plain room. Festive / premium outfit.
- Hold iPhone + gimbal in one hand for the first lines — that's the trust prop all top pages use.
- First line direct to camera, energetic, no "Hi guys, my name is..." intro.
- Speak fast and clean, cut every pause in edit. Total reel must stay under 45 seconds.
- Burn captions for every line: max 2 lines, bold, highlight only these words in gold: BEFORE EVENT ENDS, ₹14,999, DATE.
- B-roll is compulsory — no B-roll = no proof = reel will fail.
- Only ONE call-to-action in the whole reel: DM 'DATE'. No phone + WhatsApp + link all together.

- Post as a collaborator / tag @reelszen_, pin the DATE comment immediately.
